

42ND CONGRESS OF  
THE INTERNATIONAL  
SOCIETY OF PAEDIATRIC  
ONCOLOGY

The International Confederation of Childhood Cancer Parent Organisations (ICCCPO) is a worldwide network of organizations of parents of children with cancer. Founded in 1994 in Valencia, Spain, ICCCPPO focuses on cooperation and information sharing between parent groups around the world. These interactions benefit the individual parents and become tools for improving the treatment and care of children with cancer in their own countries. Currently ICCCPPO has 132 member organizations in 78 countries.

THE INTERNATIONAL  
CONFEDERATION OF  
CHILDHOOD CANCER  
PARENT ORGANISATIONS

October 21-24, 2010

The ICCCPPO Meeting will be held in association with the 42nd Congress of the International Society of Paediatric Oncology (SIOP) at the John B. Hynes Veterans Memorial Convention Center in Boston, MA.

SIOP is the major global organization focused on the issues of children and young people who have cancer. Its Annual Congress is recognized as the most relevant educational meeting for those involved in various fields of pediatric oncology, including oncologists, surgeons, radiotherapists, pathologists, nurses, basic scientists, epidemiologists, biostatisticians, psychologists, parents and survivors.

- Mentoring programs in various countries and activities for young survivors
- Training methods for mentors who are survivors
- Professional integration and job resources for young adults transitioning into a work environment
- Caring for the caregiver
- Complimentary vs. alternative therapies: a discussion of the pros and cons
- Creative expression therapy-art, music and movement
- Fundraising through direct marketing
- Promoting paediatric oncology in countries with limited resources

### Networking Opportunities

ICCCPO will enable you to form new relationships and network with parent organizations around the world. Join us in Boston to Interact with a global support system and gain new knowledge about childhood cancer.

### Great Opportunities for ICCCPO Attendees!

SIOP is offering a discounted registration fee for parents, survivors and group representatives until May 31. Please visit (<http://www.siopboston2010.com/reg-info.html>) to register.

### General Information

October is a beautiful time to visit the New England area, promising you gorgeous weather, changing leaves, entertainment and delicious Boston food. The Head of the Charles Regatta® (world's largest two-day rowing event) will be held the same weekend, so we strongly suggest you make hotel accommodations as soon as possible. Hotel reservations can be made through the SIOP Boston 2010 Website when you register.
